
SHIRAZ

Groenberg, Wellington

ABOUT SINGLE VINEYARD SHIRAZ

In the shadow of the Groenberg lies our Shiraz vineyard. Protected by the lush green hill and nourished by the warm Wellington sun, our grapes reach optimum phenolic ripeness. Bright black fruit with a peppery finish and supple tannins make this Shiraz an excellent example of the balance brought about by the Groenberg terroir.

TASTING NOTE

A bouquet of blackcurrant, raspberry and a sniff of oregano and tomato plant on the nose. Ripe fruit with fine-grained tannins. A juicy mid-palate of cocoa and cherry. There's a savoury smokiness which rounds off a lengthy finish.
