
BABA YETU ROSÉ

Groenberg, Wellington

ABOUT BABA YETU

A tribute to the undeniable power of family and the rich tapestry of our common African roots, Baba Yetu blends the effervescence of younger fruit with the time-tested wisdom of older vines.

TASTING NOTE

Pale rose gold in colour, with a pronounced bouquet of watermelon, raspberry coulis and hint of Sezchuan pepper. The palate is dry with a medium acidity, packed with red berry flavours, floral undertones and a crisp citrus tail.
