# IMPISI

Groenberg, Wellington

---

## ABOUT IMPISI

Impisi, Zulu for "wolf," is a tribute to Wolvenhoek's howling winds and our venerable heritage vineyards from '86 and '77. This Chenin Blanc epitomizes the unique organoleptical traits of South Africa's old vines—complex, yet undeniably wolfish in its bold spirit.

## TASTING NOTE

Provocative notes of lemon peel and ginger on the nose. A soft and delicate acidity giving the wine elegance and finesse. A textured palate with fruit complexity and creaminess. Made from 35-year old vines.
