
SINGLE VINEYARD CABERNET

Groenberg, Wellington

ABOUT SINGLE VINEYARD CABERNET

Feisty as a wolf our cabernet is a great expression of the Groenberg terroir. Protected by the lush green hill and nourished by the warm Wellington sun, our grapes reach optimum phenolic ripeness.

TASTING NOTE

Inviting aromas of dark forest fruits, cassis, blueberries and a touch of mint on the nose. The palate has a firm structure, but the tannins are ripe and give excellent support to the fruit spectrum. Bright fruit, with subtle wood spice, good freshness and balance.
