Groenberg, Wellington

ABOUT EMERALD HILL

Emerald Hill, or "Groenberg" stands as a sentinel for Wolvenhoek Vineyards, shielding our precious vines from the unforgiving South African sun. Nestled at the foot of this lush green hill our vines thrive in one of the Cape's warmest spots.

TASTING NOTE

Cascading notes of rich dark fruit, white pepper, violet & slight meatiness. It is medium-bodied with well-balanced acidity. Smooth and round with lingering spicy, chocolate and fruit flavours with a smooth finish.
