# BABA YETU CHENIN

Groenberg, Wellington

---

## ABOUT BABA YETU

A tribute to the undeniable power of family and the rich tapestry of our common African roots, Baba Yetu blends the effervescence of younger fruit with the time-tested wisdom of older vines.

## TASTING NOTE

A symphony of lemon meringue and passion fruit pirouetting on the nose, framed by a palate that's as fruity as it is medium-bodied. A slight tartness cuts through the creamy texture, resulting in a wine that's both fresh and luscious
